Rank : 2nd in BCECE-2011 in PCB Group

I am Chanchala Kumari, I have passed my 10th from V.P. High School, Madhuban (Motihari) & I.Sc. from M.S. College, Motihari, (Bihar Board) and I was student of 1 Year Target Classroom Course for Medical (Session-2010-2011) of Paradise Institute, Patna. I have got 2nd rank in Bihar CECE-2011. I feel that Paradise Institute, Patna, is best institute for medical entrance exam. and all the faculties here are very helpful and friendly for students. I like the planning for Medical-2011, the way of teaching, the Study Material provided. I found that 95% questions of all medical entrance exam. were same from Study Material & DPPS of Paradise Institute, due to which I got 300 rank in CBSE-PMT-2011. **Concentration Power, Memory Power, Grasping Power & Intelligence Power Improving Technique through Concentration Map & Music Therapy by Er. Kumar Ajit Sir** was excellent. It helps to get 2nd rank in Bihar CECE-2011 as an average student like me. The mode of preparation and the Test Series were very similar to CBSE-PMT, AIIMS, AFMC, JIPMER, CMC, BHU-PMT, AMU & Bihar CECE. Our syllabus was completed in January 2011 & nothing was left untouched. I am very lucky to be a Paradiseian.
