Nurturing Formula

Success In Class XII Board, JEE Main & JEE Advanced-2017 depend on

- Faculty Team
- Course Design
- Course Flow
- Study Material
- Practice Problems
- Doubt Clearing Facility
- Testing Tools
- Academic Performance Analysis Sheet

1. Faculty:

Paradise Institute team is made of highly experienced faculty from top educational hubs of India-Kota, Delhi & Hyderabad.

2. Course Design:

We have designed the course, wherein, the initial part takes care of strengthening basics and fundamentals of the subject. After this, the course includes the teaching of higher level concepts that strengthens analytical ability, applications skills and problem solving skills.

3. Course Flow:

The course plan of an year is divided into three phases. Each phase comprises of certain number of chapters. The Course plan for the session including syllabus division, order of topic in a given phase, testing dates and the result preparation dates, would be known to each student in advance.

4. Study Material:

A well researched and exhaustive study package is developed by our esteemed team members. These members have contributed in the making of all well known packages available in the field of JEE Main and JEE Advanced training.

Daily Practice Problems Set (DPPS) are a set of 50 questions, incorporated within each topic in the study package DPPS are a strong tools to understand the gravity of a concept and must be rehearsed regularly.

5. Doubt Clearing Facility:

Doubt Clearing Facility is being provided between 7AM to 8PM, 7 days in a week.

6. Testing Tools:

a. Fortnightly Progress Test: The test will be based on JEE Main and JEE Advanced pattern test consisting of 75% of syllabus taught in previous two weeks.

b. NCERT based Only One Option Correct Type Tests: Periodically.

c. Board cum School Pattern Test: To emphasize upon **Board Curriculum** and ensuring good result in Board Exams, Board Pattern Tests will be conducted periodically.

d. Phase and Reshuffling Test: After completion of every three phase, a phase test will be conducted in Physics, Chemistry, Mathematics, English, Logical Reasoning & General Aptitude. Reshuffling is done on the basis of progress tests and the phase tests.

7. PTS (Paradise Test Series):

Test series based on Part Syllabus Tests and Full Syllabus Tests will be conducted. At each Test for JEE Main, students will be given Only One Option Correct Type Test Papers. At each Test for JEE Advanced, students will be given Only One Option Correct Type, More than One Options Correct Type, One Integer Value Correct Type, Comprehension type (More than One Options Correct Type), Match List type Test Papers. The Paper-1 will have three sections and Paper-2 will have two sections of Physics, Chemistry and Mathematics.

8. Add on Test:

It is always better to have students tested from teacher who have not taught them. Therefore we provide the tests of other institutes in our library for practice.

9. Academic Performance Analysis (APA):

The academic performance is analyzed and studied at the micro level (i.e. subject wise, topic wise, question wise etc.) to get the best output. Detailed result shows correct answer, incorrect answer, unattempted questions, negative marks obtained and total marks.
