# Nurturing Formula

## Success In Class XII Board, AIPMT & AIIMS-2017

depend on

- Faculty Team
- Course Design
- Course Flow
- Study Material
- Practice Problems
- Doubt Clearing Facility
- Testing Tools
- Academic Performance Analysis Sheet

### 1. Faculty:

Paradise Institute team is made of highly experienced faculty from top educational hubs of India-Kota, Delhi & Hyderabad.

### 2. Course Design:

We have designed the course, wherein, the initial part takes care of strengthening basics and fundamentals of the subject. After this, the course includes the teaching of higher level concepts that strengthens analytical ability, applications skills and problem solving skills.

### 3. Course Flow:

The course plan of an year is divided into three phases. Each phase comprises of certain number of chapters. The Course plan for the session including syllabus division, order of topic in a given phase, testing dates and the result preparation dates, would be known to each student in advance.

### 4. Study Material:

A well researched and exhaustive study package is developed by our esteemed team members. These members have contributed in the making of all well known packages available in the field of PMT training.

Daily Practice Problems Set (DPPS) are a set of 8-10 question, incorporated within each topic in the study package DPPS are a strong tools to understand the gravity of a concept and must be rehearsed regularly.

### 5. Doubt Clearing Facility:

Doubt Clearing Facility is being provided between 7AM to 8PM, 7 days in a week.

### 6. Testing Tools:

**a. Fortnightly Progress Test:** The test will be based on AIPMT pattern and AIIMS pattern test consisting of 75% of syllabus taught in previous two weeks.

**b. NCERT based one word Tests:** Periodically.

**c. Board cum School Pattern Test:** To emphasize upon **Board Curriculum** and ensuring good result in Board Exams, Board Pattern Tests will be conducted periodically.

**d. Phase and Reshuffling Test:** After completion of every three phase, a phase test will be conducted. Reshuffling is done on the basis of progress tests and the phase tests.

### 7. PTS (Paradise Test Series):

Test series based on Part tests and Full tests will be conducted. At each Test, students will be given. Objective Type Test Papers. The papers will have three sections i.e. Physics, Chemistry and Biology, and will test the comprehension and analytical ability of the students.

### 8. Add on Test:

It is always better to have students tested from teacher who have not taught them. Therefore we provide the tests of other institutes in our library for practice.

### 9. Academic Performance Analysis (APA):

The academic performance is analyzed and studied at the micro level (i.e. subject wise, topic wise, question wise etc.) to get the best output. Detailed result shows correct answer, incorrect answer, unattempted questions, negative marks obtained and total marks.

### 10. Additional Facility:

#### a. PRIP (Paradise Rank Improvement Package)

PRIP I (based on AIPMT & AIIMS Pattern) is a collection of 3000 challenging Problems of Physics, Chemistry and Biology each.

PRIP II (based on AIIMS-General Awareness, JIPMER-English & Reasoning, MAHE-Manipal-English & General Aptitude, AIMS-CET-Amrita School of Medicine-English & General Knowledge, CMC Ludhiana-General Ability, COMEDK-English Pattern) is collection of 1200 Assertion Reason type questions 400 each in English, Reasoning & General Knowledge.

#### b. Motivational Workshops

Workshops would be conducted at regular intervals on confidence build-up, stress management & time management.
